

EXECUTIVE EDUCATION PROFESSIONAL CERTIFICATE

VIRTUAL PRODUCTION AND SIMULATION

From real-time technology to organisational capability

21-24 SEPTEMBER + 28 SEPTEMBER-1 OCTOBER 2026

10:00-14:00 CEST | REGUS POWERHOUSE, TRONDHEIM

A Virtual Production Dojo executive education programme, prepared for the Norwegian and European market with EduThinkering Consultancy.

VENUE	DURATION	CONTACT	COHORT	LANGUAGE
Regus Powerhouse	Two weeks	32 hours	6-8 people	English

WHY THIS PROGRAMME

Beyond tool training

Virtual production and simulation combine creative intent, real-time technology, production workflows, artificial intelligence and organisational change. The programme develops applied literacy so leaders and cross-functional professionals can ask informed questions, evaluate constraints and plan responsible next steps.

The programme develops judgement and implementation readiness. It does not promise full technical mastery in 32 contact hours.

PARTICIPANT OUTCOME

Strategic Use-Case Brief

- A real organisational opportunity or challenge
- Workflow, people and infrastructure requirements
- Governance, responsible AI and risk considerations
- A bounded pilot proposal
- A 90-day capability roadmap
